Single Pack, Low VOC Water Based Floor Paint

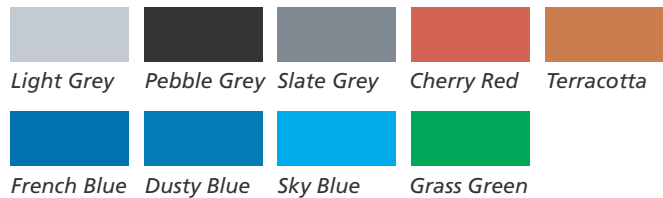

For economy try our High Performance environmentally and User Friendly floorpaint. Our Floor Paint is hard wearing, has excellent adhesion and is fast drying. Great as a dustproofer and for making quick improvements to the presentation of your floor. Available in five colours:

5 Ltrs	20 Ltrs (4x5Ltr)
£39*	£149*
approximately 50 sqm (1 coat)	approximately 200 sqm (1 coat)

Elgood Epoxy Floor Coating

High Quality, Easy to Use and Solvent Free. This tough and hard wearing coating is ideal for heavier industrial traffic and for long term performance. Available in 9 standard colours:

1.3 kg unit	4.5 kg unit
£29.50*	£49.50*
approximately 6 sq m (1 coat)	approximately 20 sq m (1 coat)

Elgood Floor Cleaner

A strong detergent really effective at preparing for and cleaning epoxy floor coatings. The detergent is ideal for use with scrubbing machines as part of your preparation or for routine cleaning.

5 Ltrs	20 Ltrs (4x5Ltr)
£17*	£60*

Slip Resistant Additives

Slip resistant additives are available for both the floor paint and solvent free epoxy floor coatings to give a textured finish. Please telephone for further information and prices.

Accessories

12" Frame and Roller	£9.50*
Replacement Roller	£3.95*
Paint Tray	£10*

* ALL PRICES EXCLUDE VAT AND CARRIAGE CHARGES. Colours represented on this page are as close as conventional printing techniques permit, but limitations mean that they are not exact. Final selection should be made against colour coated samples if necessary.
