Dear Customer,

Thank you for your recent order. Please find the attached msds information.

The msds sheets contain information on the disposal of the screw top bottles.

However, as part of our commitment to the environment, we are happy for you to return the empty screw top bottles in which the curing agent is contained. We will then recycle and dispose of the bottles on your behalf. We do not provide this service for the used polycans.

If you would like to use this service, then please enclose the empty bottles in the cardboard box that the products were sent in and return using your courier to:

Elgood Industrial Flooring Ltd
29 Mulberry Court
Bourne Road Industrial Park
Crayford
Kent
DA1 4BF

tel: 01322 552 030

Please ensure that the lids are screwed on tight and that the boxes are sealed with tape.

We would be grateful if you were to complete and cut off the section below for our records.

Thank you for your cooperation.
